

Laundry

Monday- Mom, Dad, Joe
Tuesday- Nate and Jack
Wednesday- Caroline
Thursday- Abby
Friday- Annesley
Saturday- Christian
Sunday- Make-Up/Extras

How to Run the Washer

Regular loads: Push **Power**, then **Favorite**, then **Start**

What to Do

Wash, Dry, then Fold and Put Away!

Please, empty the lint filter before each new dryer load. This just takes a few minutes and can save clothes, electric bills, and repair costs (and possibly a fire).

About Schedules

If you missed your day, please figure out a way to do your laundry without cutting into someone else's day. Ask them before you run a load.

Help others fold instead of just dumping someone else's load. Fold someone else's laundry the way you would want them to fold yours.

Supplies

If you notice that we are running low on detergent, stain remover, vinegar, bleach, etc., please take the initiative to note it on the white board by the stairs or send me a text.
